

SMART Tips and Tricks and Tools

Clarifying Concepts with the Page Recorder:

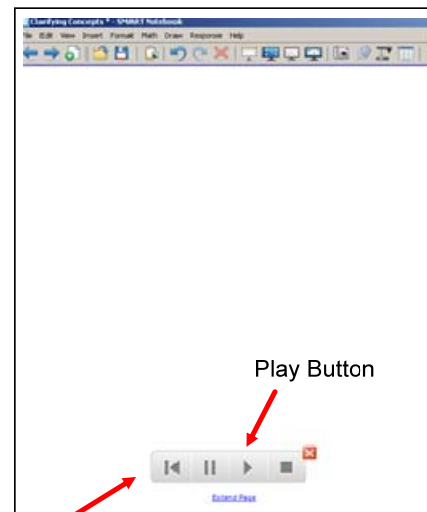

1. Click the Properties Tab in SMART Notebook and find Page Recording.

2. Click Page Recording then click Start Recording.

3. A red REC button appears in the work space. Use the pen tool to write your example or notes. Press Stop Recording when finished.

4. The Page Recording Toolbar appears at the bottom of the page. Press the Play button on the toolbar to view your recorded work.
