

SMART Tips and Tricks and Tools **Searching for objects:**

1. When searching for an object in the Search box of the SMART Notebook Gallery, search with the singular tense rather than the plural form of the word in order to find more results.

2. Type in the singular form of the object you are searching.

3. Click on the magnifying glass to find the results of the search.

4. Results of the search will be displayed in the bottom section.
